Call for Participation

We invite you to join us in 11th International Conference of Networks and Communications (NC 2023)

This Conference looks for significant contributions to the Computer Networks & Communications for wired and wireless networks in theoretical and practical aspects. Original papers are invited on computer Networks, network protocols and wireless networks, Data communication Technologies, and network security. The goal of this conference is to bring together researchers and practitioners from academia and industry to focus on advanced networking concepts and establishing new collaborations in these areas.

Highlights of NC 2023 include:

- 12th International Conference on Information Technology Convergence and Services (ITCSE 2023)
- 12th International Conference on Cryptography and Information Security (CRYPIS 2023)
- 15th International Conference on Wireless & Mobile Network (WiMo 2023)
- 12th International Conference on Digital Image Processing and Vision (ICDIPV 2023)
- 12th International Conference on Advanced Computer Science and Information Technology (ICAIT 2023)
- 4th International Conference on Cloud, Big Data and IoT (CBIoT 2023)
- 4th International Conference on Artificial Intelligence and Machine Learning (CAIML 2023)
- 4th International Conference on Natural Language Computing Advances (NLCA 2023)

Registration Participants

Non-Author/Co-Author/ Simple Participants (No Paper)

300 POUNDS
